### **TEMPLE AVENUE EASTBOUND CLOSED**

Temple Avenue eastbound bridge has been closed for the implementation of emergency structural repairs. Due to a recent evaluation by the City and our structural consultant today, it was concluded that it not safe for traffic. Therefore, the City will be closing both lanes of the east bound Temple Avenue bridge. Eastbound traffic along Temple Avenue will be detoured north on Boulevard to Eilerslie Avenue, east to Conduit Road and then south to Temple Avenue. This detour will be in effect approximately two weeks while emergency structural repairs are completed. Westbound Temple Avenue and Temple and I-95 intersection are not part of the closure. For more information during normal business hours, contact Department of Public Works and Engineering at 804-520-9334.
