FIREHOUSE SUB GRANT RECEIVED

The City of Colonial Heights Fire, EMS and Emergency Management is pleased to announce it has received a \$17,812.50 grant from the Firehouse Subs Public Safety Foundation. These funds will be used to purchase five (5) ventilation fans to be placed on each fire apparatus in the city. The battery operated fans will allow for quick set-up to clear smoke from structures leading to a more effective search for victims. These fans will also help remove toxic gasses from firefighter's gear. We would like to thank Firehouse Subs for their commitment to our department and for promoting fire safety in our community.

ABOUT FIREHOUSE SUBS PUBLIC SAFETY FOUNDATION

In 2005, Firehouse Subs created the Firehouse Public Safety Foundation with the mission of providing funding, life-saving equipment, and educational opportunities to first responders and public safety organizations. Through its grant application program, the foundation has awarded more than \$15 million to hometown heroes in 44 states and Puerto Rico.
