

Help Protect Your Water!

from illegal dumping & illicit discharges...

CALL
520-2003

Illegal discharges are:

- * polluted dumping
- * contaminated runoff
- * discolored outfall discharge
- * improperly connected floor drains

Illegal discharges can:

- * contaminate our water
- * cause fish kills
- * destroy our recreational areas and resources

Illegal discharges can be both intentional & unintentional. Dumping oils, solvents or yard waste into a storm drain, oily or soapy runoff from a business, leaky & unattended oil or chemical storage units, & discolored or chemical-smelling discharges from a sewer outfall all constitute an illegal discharge. These illegal discharges are punishable by civil & criminal penalties. They damage the health of Swift Creek, Old Town Creek &

the Appomattox River, and endanger our recreational and drinking waters. You can help: call the City's illegal discharge hotline & report any polluted discharges you see.
