Addendum #1

Invitation # 23-032402-1134

This addendum is issued to change the Schedule of Items and address question 1:

Line Items 20 and 21 have been removed, line item 23 quantity has changed from 4 to 2 as two trees have been removed prior to time of year restrictions, line item 51 has been added to cover the cost of stump removal.

Line Item No.	Item ID No.	Spec. No.	Item Description	Quantity	Unit	Unit Cost	Sub Total
20	507	22501	FENCE FE-W1	180	LF		
21	507	22643	FENCE FE-CL	120	LF		
23	601	NS	REMOVE TREE	4 2	EA		
51	301	00110	CLEARING AND GRUBBING	1	LS		

Question 1: *There is a pay item, line item 1 “Signing and Pavement Marking” but there doesn’t appear to be any pavement marking on the plans, what is this pay item for?*

For the signing and pavement marking item number 1, no pavement marking will be required. There are two locations on the plans, STA. 208+50 Rt. and STA. 308+50 Rt. calling for sign replacement.

New Schedule of Values is attached, based on the above corrections.
